*Wholesale Acquisition Cost (WAC) represents the manufacturer's published catalog or list price for a drug product to wholesalers. WAC does not represent actual transaction prices and does not include prompt pay or other discounts, rebates or reductions in price.

**The USC (Uniform System of Classification) Therapeutic Classification schema was used to determine similar generic drugs. The HCFA Drug Category of "Non-Innovator Multi-source" as supplied on the CMS (formerly HCFA) quarterly update was used to determine the generic status of the drug products. This list does not imply that the generic prescription drugs on this form are interchangeable or have the same efficacy or safety. Please refer to each product's FDA-approved label and indication for further information.
